BUSINESS SCOPE

Our Business Development Strategy in United Arab Emirates includes supplying of various Agricultural Products Locally, and Re-exporting to GCC and none GCC Countries. We have been leading in Imports and Exports Business Since 2009, by establishing Several Company Branches in Different African and Middle Eastern Countries. Our main suppliers for Agricultural Products are from Africa Origins, including Tanzania, Ethiopia, Chad, Nigeria, and Mozambique. We have well established Food Processing Factories in China through which we Process various imported Raw Agricultural Products and Re- Export to various countries in Europe, India and Asia.

Fortunately, since we export quality products, we expand our Supply Chain to other countries such as China, U.A.E, Singapore, Saudi Arabia, Oman, and other GCC countries.
